Objective

To obtain a challenging position as a UX/UI Designer where I can apply my skills in user-centered design and improve user experiences across digital platforms.

Work Experience

UX/UI Designer

Creative Minds Studio, Los Angeles, CA
May 2017 – Present
- Designed intuitive user interfaces for web and mobile applications. - Conducted user research and usability testing to gather feedback and iterate on designs. - Collaborated with developers to ensure design feasibility and alignment with technical constraints.

Graphic Designer

Visual Impact Design, Los Angeles, CA
June 2014 – April 2017
- Created visual assets for marketing campaigns, including banners, brochures, and social media graphics. - Developed brand guidelines and ensured consistency across all visual materials. - Assisted in the redesign of the company website, leading to a 25% increase in user engagement.

Education

Bachelor of Fine Arts in Graphic Design
University of Southern California, Los Angeles, CA
Graduated May 2014

Skills

- Adobe Creative Suite (Photoshop, Illustrator, XD)
- Sketch, Figma
- HTML, CSS
- Wireframing, Prototyping

Awards
